

Lekotek Supports Children & Families, Receives Support

The Lekotek program provided by UCP of NEPA, and funded in part by the United Way of Lackawanna and Wayne Counties, uses play activities and specially adapted toys to further a child's developmental goals. Sometimes, however, the immediate goal is to simply help the child to be *able* to play.

This was the case for 6½ year-old Brody Park, who initially came to the program about five years ago. He was referred to Lekotek by a therapist in UCP's Early Intervention Program, in which he participated as an infant and toddler. Brody has Lesch Nyhan syndrome, a genetic disorder which inhibits his ability to walk, crawl and even to sit in a position from which he can play. The condition also causes spasticity in his hands and uncontrolled movement in his arms so holding and playing with many types of toys is difficult.

One of the first toys Lekotek leader Sally McCullon tried with Brody was an O-ball, which has holes so that a child who has dexterity problems can hold and toss it. Prior to coming to Lekotek, Brody never really played with anything, according to his mom, Rebecca. Now, she says, he likes to try everything, a sentiment echoed by Sally, who says Brody has shown great determination in mastering everything she has tried with him.

Brody is now in kindergarten in the Western Wayne School District and attends Compuplay, the computer-based component of the Lekotek program. Like most six year olds, he enjoys computer games. Again, positioning to be able to access the computer was an issue as well as finding a way for

him to use a computer. His tomato seat enables him to be positioned so he can see the screen and access the wheel in the 3D Cruiser in the photo.

Play is a natural way for children to learn and develop skills and for families to interact, so siblings and parents are encouraged to participate in Lekotek sessions. Toys can also be borrowed so that they can continue the activity at home.

The abilities that children with or without disabilities develop thru play form the building blocks for future achievements. Even more so than typical play,

the toys and activities chosen for each child in Lekotek work on the specific needs his or her disability creates.

UCP is proud to provide the Lekotek program and grateful for the support the program has received, both the response for the fundraisers we have conducted for it (like the Flapjack Fundraiser detailed inside) and those that community groups like those pictured below have sponsored.

Scranton's Shamrock Run for Charity Benefits Lekotek

Flapjack Fundraiser for Lekotek

Our Flapjack Fundraiser at Applebee's on Sunday March 9th 2014 was a great success. We appreciate all of the support we received from families, staff, our Board of Directors and friends. Our 15 volunteers were awesome and the staff at Applebee's, especially Michelle the manager, were extremely helpful and totally organized!! We served 113 short stacks, and received great support for the Basket Raffle. We thank those who donated the baskets for the raffle, especially PepsiCo/Dawn Demm, who donated the grand prizes, Toni Christ, Dina Riehl, Barb Golob, Diane Dalton, Sally McCullon, Shirley Naniewicz, Vincenza Glynn, and Jasmin Colon. Congratulations to all of our winners!

Many monetary donations were also received, and we appreciate that support in addition to those who attended, both patrons and volunteers.

Lekotek Holiday Party

Our 21st annual Lekotek Holiday Party was held at the Clarks Summit Methodist Church on Saturday December 7th 2013. Thirty two Lekotek families were in attendance, along with agency staff for a total of 125 guests. We again are very grateful to the many families who donated food and gave of their time, talents and resources to make this year's party a great success.

Our favorite DJ Gerald Gryzcko created an awesome arrangement of Holiday favorites bringing us all into the spirit of the season. Our agency staff and volunteers were on hand to help with our many gifts and raffles. As always, we thank the Abington Lions Club for their monetary contribution and Joe Skinner for providing us with our Santa suit worn by none other than our Colin Young, who has volunteered his services for the last three years! Our volunteer students, many of whom volunteer all year round; Sarah Wagner, Jasmin and JJ Colon, Natalie Khalife, Michael Christ, along with the Kongvold Family have done a great job for us. Dawn Demm, PepsiCo, New York again was able to come through with some awesome raffle gifts! Barb Golob and Kathy Platt continue to support our basket raffle. We were able to raffle off 25 baskets and three large prizes this year, along with 32 door prizes!!!!

We are looking forward to our 22nd annual holiday party in 2014 for another chance to bring our families together in a relaxed, fun atmosphere of food, fun, and friends☺. Keep on Playing!!!!

Checking out one of the raffle prizes are Matthew Lubinski and Micah Barkley.

One of Santa's littlest (and arguably cutest) helpers, Isaiah Lubinski.

Holiday Gift Wrap

UCP's annual Gift Wrap at the Viewmont Mall benefitted our Early Intervention Services.

As always, we are very grateful to the Viewmont Mall for donating the space for our booth, and to our many volunteers, individuals and groups, for their assistance.

Prudential employees (clockwise from top left) Bob Bohinski, Mark Sciacca, Nancy Mecca and Jean Bohinski, always get into the spirit of the season.

Gift wrap groups for 2013 were:

*Abington Heights National Honor Society * Alpha Iota Sorority
Bank of America Employees * Cadette Troop #50023
Fell Charter School Faculty * The Gilgallon Family
Girl Scout Troop #281 * Former Girl Scout Troop #50060
Hickory St. Presbyterian Church * Kiwanis Club of Scranton
Lackawanna College * Mid Valley High School Leo Club
Prudential Asset Management Staff * Retired Abington Teachers
Riverside High School German and Spanish Clubs
The Salmon Family * Scranton Prep National Honor Society
Scranton High School * Trinity Lutheran Church Youth Group
The Walline Family * Yusavage Chiropractic Clinic*

This was the first year for the Spanish Club and German Club from Riverside High School and we welcome them aboard! Meanwhile, a few of our long-standing groups had to cancel due to the weather, but we look forward to seeing them again this December.

New Phone options in TDDP!

There are new options in Pennsylvania's TDDP (Telecommunications Device Distribution Program)! The Serene Innovations CL-60A cordless, amplified phone with answering machine pictured here is the newest! The TDDP provides specialized equipment, free, to eligible Pennsylvanians who have disabilities which impede them from independent access to telephone services. This includes those who are deaf or hard of hearing, speech impaired, blind or have visual problems, have physical disabilities or intellectual disabilities. TDDP has an approved list of phones but if no device on the approved list meets the individual's needs, there is now an exceptions process that may allow them to get a device that has the features they need.

All the information and forms for the program are available online at <http://disabilities.temple.edu/programs/assistive/tddp/> or you can call the Assistive Technology resource center at UCP of NE PA (Linda or Beth) 570-347-3357 or email ucptech@yahoo.com. They would be happy to answer questions, provide demonstrations of the equipment, and help with the application process.

Created through PA Act 34-1995, the TDDP is implemented by Pennsylvania's Initiative on Assistive Technology (PIAT), a program of the Institute on Disabilities at Temple University, in conjunction with the PA Office of Vocational Rehabilitation (OVR), and the PA Public Utility Commission.

Executive Director's Message

Hello Everyone:

Happy Spring! I hope that you have been enjoying the warm weather and the joy that spring brings.

Like many non-profit organizations, UCP relies on fundraising revenue to help us continue to provide supports and services to individuals with disabilities. We have had the great fortune to be the beneficiary of The Green Ridge Mile, hosted by Andy Gavin's Pub and Eatery, The Shamrock Run for Charity and The Keystone Chapter of UNICO's annual pig roast. Mike Marcinek of NE PA Fit Club is organizing Fit Stock 2014 to be held on May 31, 2014. Once again, UCP will be the beneficiary of this event.

We are thankful and honored that these individuals and organizations help to raise awareness of UCP of NE PA and the supports and services we offer as well as financial support. We are blessed to live in an area that values giving back to and supporting all the members of its community. On behalf of the consumers, staff and Board of Directors of UCP of NE PA, I would like to thank you for your continued support of UCP. Without your support, we wouldn't be able to make a difference in the lives of people we serve.
